Rocky informed the Board that going forward, there would not be any staff support to take minutes or to prepare agendas. This task would have to be done by the Board. Walter Adam asked if Rocky could do the minutes/agendas. Rocky replied that although he would like to help, due to his limited time, he would be unable to do so. John Murch offered to take minutes for the Board. As Chair, Ben Dickens would be responsible for the Agendas. Rocky stated that he would send the agenda and minutes templates to Ben and that he would act as the County point of contact for the Board. Elaine asked what other roles Rocky would have. Rocky replied that he would remain involved in Agriculture Districts and as point person for the Board. He would make sure all agendas and minutes are on the county website.
